

# HURWOOD TOOLS

**A  
Synonym**

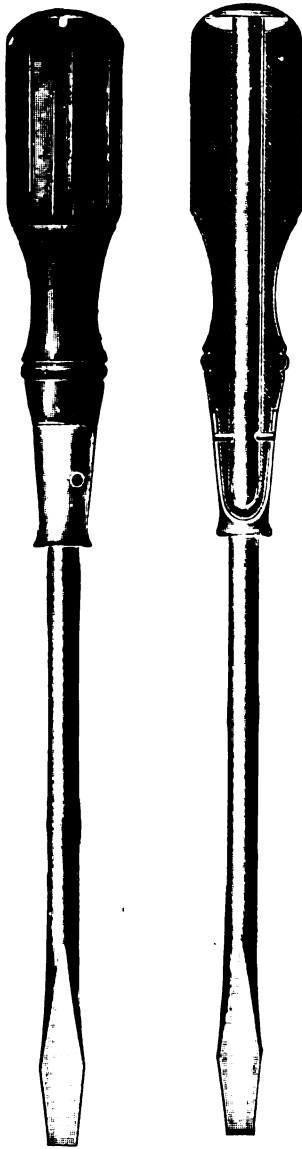

**For  
Quality**

**Our Trade Mark**

**Ball Bearing, Side-Cutting Pliers.**

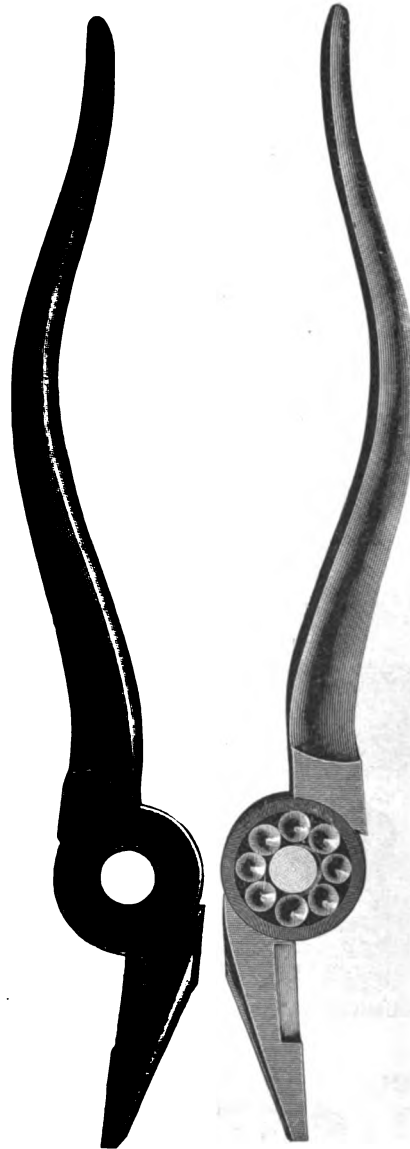

Strong and serviceable. Easily opened. The best pliers on the market to-day because of Hurwood Make.

**Hurwood Screw Drivers.**

Practically indestructible. Quality of steel used unequalled for strength and toughness.

The steel extends from point of blade through the handle, and forms a top for rough use. Impossible to twist the handle.

**Ball Bearing, Side-Cutting Pliers.**

Showing ball-bearings which reduce friction to a minimum and give greater leverage. Made in four sizes.

## OUR GUARANTEE

Every tool we manufacture is fully warranted for quality of steel and workmanship. If one should give out in ordinary use, it will be replaced without cost.

**Hurwood Mfg. Co., Bridgeport, Conn.**
